Dear NEHSA Family and Friends,

As you know, we have been closely monitoring the health situation related to Coronavirus (COVID-19). As additional confirmed cases come to light, the NEHSA Board of Directors, myself, and the staff all agree that it is time to make a decision regarding the conclusion of our 2019-2020 winter season.

Our first priority is always to protect the health and safety of our beloved NEHSA community. We are home to many individuals with compromised immune systems, and much of our volunteer base is over the age of 60. In looking out for the safety of both our students and volunteers **we are announcing that NEHSA's winter programming has been suspended for the remainder of the 2019-2020 winter season, effective tomorrow, March 15th.**

NEHSA will not be taking any new lesson reservations and any lessons booked from March 15 th through the rest of the season are canceled. If you have a current lesson reservation, the NEHSA team will be reaching out to you directly to inform you of this decision.

Decisions such as these are never easy, but safety has always been NEHSA's number one priority. We have thoroughly enjoyed an incredible season with each and every one of you, and already cannot wait for next winter! In the meantime, please be on the lookout for information regarding our summer program offerings, as we will be communicating this through our website, social media, and e-mails. We wish you all good health.

Sincerely,

Carly Bascom
Director
