## 2022-2023

NEW ENGLAND HEALING SPORTS ASSOCIATION  
MOUNT SUNAPEE, NH

## **Our Mission:**

NEHSA serves individuals and families through adaptive sports, promoting healing and accomplishment.

## **Our Vision:**

A world with strong, supportive communities, providing full access to natural resources, an active lifestyle, and the highest possible level of independence.

Dear NEHSA Friends,

As we close out another great year and look forward to what I am confident will be many exciting moments ahead, I am proud to present you with the 2022-2023 NEHSA Annual Report. As you read through this report, taking note of all that our great organization has achieved throughout the year, please know that none of it could have been made possible without the wonderful dedication and generosity from our community of supporters.

Because of your belief in our mission and support for our cause NEHSA was able to offer 1,248 adaptive sports sessions; an overall increase in programming by 10%. Additionally, we welcomed 190 brand new athlete participants, which is approximately 44% of our total athlete population this year. And though it's been 51 years since our inception, we have never forgotten the importance of our Veteran roots. This year, NEHSA served 137 Veteran athletes--a 17% growth from last year.

With your ongoing support, NEHSA will continue to make these great strides; providing adaptive sports sessions of the highest caliber, igniting confidence within our community, and ensuring equitable access for all that choose to adventure outside with us.

I continue to be humbled by all that you have done to support NEHSA along the way, and have the utmost appreciation for each volunteer, athlete, donor, community partner, board member, and staff member that has helped get us to this point.

With Gratitude,  
Carly Bascom, Executive Director

## President's Message

Since my first season as a NEHSA volunteer during the 2005 – 2006 season, I have experienced the joy of watching the confidence ignite in countless participants after a day at NEHSA.

That first season was the launch of NEHSA's year-round programming, and I feel fortunate to have witnessed watching NEHSA grow from a 'ski club' to five-star, year-round adaptive program.

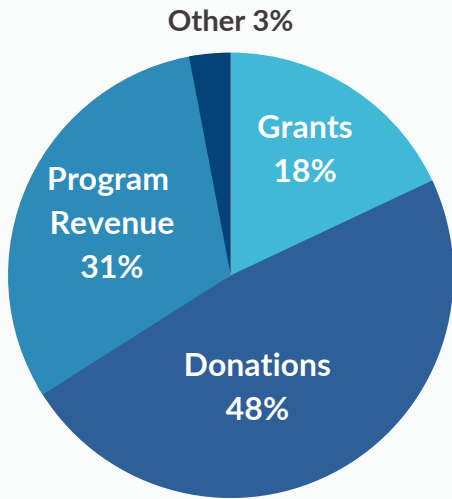

As a member of the Board of Directors, it has been an honor to work with our dedicated staff, volunteers, interns, and fellow members of the Board as we follow our mission and continue our path to a strong future.

On behalf of the Board of Directors, thank you to our donors, partners, staff, and volunteers for your dedication to our mission. We can't wait to provide more joyful experiences to our athlete population in the coming year and into the future.

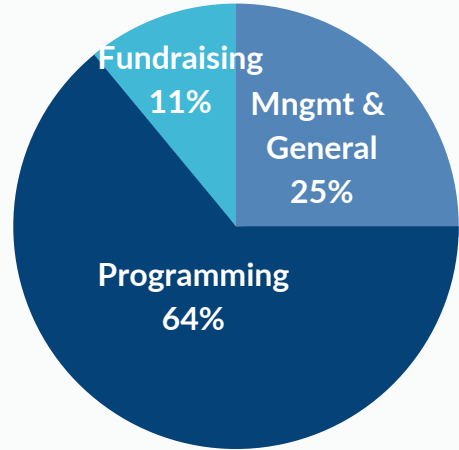

Sincerely,  
Sue Mills  
NEHSA Board President

“I volunteered and joined the NEHSA team in December of last year. I had seen adaptive sports in more limited forms in other local resorts and always stood in awe of the courage of its participants and the skill and understanding of the people who facilitate their efforts. All the while, I never realized NEHSA was looking for volunteers. What a great opportunity it has proven to be, helping me grow in many ways as I give my time to help others succeed.”

-Mark McDonald, Volunteer

“Thank you to everyone at NEHSA for the best winter I have had in a long time! You all are so caring and go above and beyond your duty to help us Veterans. I will miss seeing you all, and I cannot wait for next winter!”

-Veteran Athlete
